EXPERIENCE

servicePath, Remote — *Junior UX Designer*

May 2021 to August 2021 (4 months)

- Worked in a team of 2 to help improve the existing UI of the servicePath B2B system
- Created a Jira list of 50+ pain points and issues with the UI to later find solutions for
- Designed and prototyped 10+ Adobe XD mock-ups and visualisations for walkthroughs, wizards, new screens and client work
- Redesigned the slide deck shown to potential clients in a team of 4 to be less information heavy and more skim-able, as well as more visually appealing

Sheridan College, Trafalgar Campus — *PAL (Peer Assisted Learning) Leader*

January 2020 to April 2020 (4 months)

- Attended 2nd year classes as a 3rd year to provide assistance to both the professor and students
- Hosted weekly hour-long sessions that students could attend if they felt they needed extra help
- Explained complex concepts in ways the student could easily grasp and understand
